

## **FEEDBACK from students for the session 2020-21**

The Feedback Questionnaire is made on the basis of measures which is provided in the NAAC Manual. It is divided into two Sections, Section-A and Section B. Section A contains general information about the respondents and their perception of College teachers and their teaching methods.

Section B contains questions regarding respondents' views of their campus and governance system, skills & employability & their awareness of different student centric committees and cells. The respondents belong to Under Graduate and Post Graduate levels.

When asked about the cause behind choosing the college, a large number of respondents (46.80%) were of the opinion that they chose the college because of its reputation whereas 23.80% accepted that they did so because of proximity to home. 19.50% students were of the opinion that they did not have any other option available for admission and only 9.90% student chose the college because of affordability of fees. It is clear from the analysis that maximum students chose the college because of its reputation.

**Section - B** This section contains three Parts. From an analysis of **Section B Part –I**, it was found that 85.17% students were satisfied with the College Library; only 14.83% were dissatisfied. 79.65% students were satisfied with the Sports and Games facility of the College. Regarding the Laboratory Facility, 78.48% students were satisfied and 21.51% were dissatisfied.

On the question of ICT based Classroom facility, 79.36% respondents were found to be satisfied and only 20.64% were dissatisfied. Maximum respondents (84.59%) were satisfied with the Hostel run by our parent body, The Theosophical Society and only 15.40% students were dissatisfied with it.

On basic amenities like Toilet and Drinking water facility related questions, 70.92% and 80.81% students respectively were found to be satisfied. Regarding the canteen facility a maximum number of respondents (74.70%) were satisfied. It should be pointed out that maximum respondents were satisfied with medical facility of the College. 72.67% respondents were satisfied while 27.33% were dissatisfied with it.

As per the campus environment and its cleanliness, maximum (87.21% and 91.85%) students accepted that their college environment is very clean and green respectively while 8.14% and 12.8% respondents were dissatisfied by it.

On college governance and office facility related questions 92.15% students expressed satisfaction. As far as informative services related questions are concerned 88.08% respondents accepted that they received proper information from the office.

With Student-oriented programmes such as NSS/NCC and Cultural Activities, 91.58% students expressed their satisfaction. Maximum (92.15%) students were satisfied by Cultural Activities and only 10.05% students were dissatisfied.

Maximum respondents (91.57%) accepted that students' representation in all programmes & committee activities are adequate & they perform properly. In this way it is clear that maximum students are satisfied with the college campus life, facilities and governance or administrative system of the institution.

From an analysis of **Section B, Part II**, which is related to the Role of Institution in skill development and employment of students after studying in the College, it is clear that 97.67% students were satisfied by the level of knowledge gained in the Institution. On the question of different skills gained in the Institution, 95.06% students were satisfied and 4.95% were not satisfied. Regarding the role of the Institution in employability, 89.24% respondents gave a satisfactory response and only 10.76% respondents were not satisfied. On the question of the Institution's Guidance and Career Counseling Cell's role in providing proper guidance to students, 91.86% respondents expressed satisfaction whereas 8.14% respondents were not satisfied. 77.28% students gave response expressing satisfaction regarding the role of 'Placement Cell' of Institution while 22.70% students gave a response expressing dissatisfaction.

In this way it is clear that maximum students have a satisfactory view towards the role of Institution in the process of knowledge and skill development, employability, guidance & counseling & placement.

**Section B Part III** of the feedback is related to questions regarding students' awareness of different Committees & Cells of the Institution. It is clear from the analysis that 91.86% students were aware of the Guidance and Counseling Cell and its functions whereas only 8.14% were not aware of it. 61.04% respondents have knowledge about the Institutional IQAC and 38.96% do not have any knowledge about this Cell. 89.53% students were aware of the Anti Ragging Committee of the College and 72.09% students have knowledge of the Grievance & Redressal Cell whereas 27.91% have no information about them. On the question of Digital Library of the College, 89.24% students have knowledge and awareness regarding this. Only 10.76% are not aware of the Digital Library in the College. Regarding the Alumni Cell, 75.87% students accepted that they have information about the alumni cell and 83.14% students want to become members of their Institutional Alumni Cell.

In this way, on the basis of an analysis of Section B Part III it is clear that maximum students have knowledge and awareness regarding Institutional Committees & Cells.

**ANNEXURE -02**

**Figures**

**Figure - 1**

**Cause of College Selection**

	<b>Cause</b>	<b>Response Percentage %</b>
1.	Reputation	46.80%
2.	Affordability of Fee	9.90 %
3.	Proximity to home	23.80%
4.	No other option available	19.50%

**Figure - 2**

Student awareness of the Institution's Student Oriented Cells & Committees

Sr No.	Awareness Response	Yes	No
1.	Guidance and Counselling Cell	86.33%	13.67%
2.	IQAC	61.04%	38.96%
3.	Anti Ragging	89.53%	10.47%
4.	Digital Library	89.24%	10.76%
5.	Grievance & Redressal Cell	72.09%	27.91%
6.	Alumni Cell	75.87%	24.13%
7.	Membership of Alumni	83.14%	16.86%

**Figure – 3**

**Role of Institution in Skill Development and Employment**

Sr. No.	Skill Development	Dissatisfaction in %	Satisfaction in %
1	Level of Knowledge	2.32	97.68
2	Skill Gained	4.95	95.05
3	Employability	10.76	89.24
4	Guidance & Career Counseling	8.14	91.86
5	Placement Cell	19.17	80.83
