

Alumni Feedback Action Taken Report

2021-22

Suggestions:

1. The curriculum should be effective in promoting teamwork and faculty should adopt diverse teaching-learning methods.
2. Entrepreneurial skills should be developed in students.

Action Taken:

1. The faculty members were advised to enhance teamwork, develop diverse teaching-learning methods, and promote entrepreneurial skill.
2. Various platforms like exhibition cum sale, melas were provided to the students by different committees.
3. The cultural & academic forum of the college Sarjana introduced more competitions and activities for the students' enrichment. Students were encouraged to participate in inter-youth festivals, competitions, and events, organized at other colleges/institutes. These events helped create a sense of teamwork in the students.
