Parents Feedback Action Taken Report**2023-24****Suggestions:**

1. The timings of the classes should be reconsidered as their ward is unable to attend coaching and professional classes.
2. All classes should have a projector.

Action Taken:

1. The feedback was shared with the authority and it was found that since the college timings were from 10 a.m. to 5:00 p.m., it would be difficult to permit students to attend coaching and professional classes within this period.
2. Being aware of the need to provide professional training to the students, the college decided to start a basic computer course to students of B.A.I from the session 2023-24.
3. The college is putting efforts to have projectors in most of the classes.
